It offers a functional design while providing protection to your pool cover from harsh weather and UV rays, extending its life span. With the Deck Roller's design together with its long-lasting quality materials, it's the best investment to make for your pool blanket and pool area.

The Sunline Deck Roller makes the most out of your pool area by neatly housing your pool cover and keeping it out of sight and hidden to give your new or existing pool area a clean and sophisticated look with ease.
